B LIST OF PRODUCTS

NAME OF EXHIBITING COMPANY

The Exhibitor will be responsible for compiling the list of products in the reserved area on the website sanatech.sana.it

LIST OF PRODUCTS

A / ORGANIC PRODUCTION

A1 SEEDS

- A101 Organic Seeds
- A102 Coating materials
- A103 Reproductive material

A2 TECHNICAL COMPONENTS - NUTRITION

- A201 Compost and Vermi-compost
- A202 Organic Compost
- A203 Organic - Mineral Fertilizers
- A204 Soil correctives
- A205 Other fertilizers
- A206 Microorganisms and microbial stimulators
- A207 Natural Organic Substrates
- A208 Other soil-enhancing substances

A3 TECHNICAL COMPONENTS - DEFENSE

- A301 Crop protection products
- A302 Seed dressing agents
- A303 Pheromones
- A304 Microorganisms
- A305 Mineral-based products
- A306 Biological disease control products
- A307 Repellants
- A308 Natural substances
- A309 Traps for biological disease control

A4 TECHNICAL COMPONENTS - MISCELLANEOUS

- A401 Improvers
- A402 Biostimulants
- A403 Plant growth regulators
- A404 Physical components
- A405 Other substances

A5 MATERIALS AND EQUIPMENT

- A501 Equipment

- A502 Weed and pest control equipment
- A503 Bioplastics
- A504 Green building
- A505 Composite fibres
- A506 Materials for nurseries and horticulture
- A507 Mulching materials
- A508 Weed torching equipment
- A509 Grafting products
- A510 Organic fabrics

A6 RESEARCH AND TESTING LABORATORIES

- A601 Test fields
- A602 Organic farming research centres
- A603 Testing laboratories
- A604 Tests

A7 BIODYNAMIC AGRICULTURE

- A701 Seeds
- A702 Production methods and equipment
- A703 Miscellaneous

B / ANIMAL FARMING

B1 ANIMAL NUTRITION

- B101 Additives
- B102 Cereal Flakes
- B103 Organic Forage
- B104 Supplements
- B105 Milk for animal rearing
- B106 Feedstuff
- B107 Animal Feed Mixes
- B108 Special nutrition

B2 VETERINARY

- B201 Animal welfare
- B202 Supplements
- B203 Plant-based medicinal products

- B204 Natural selective reproduction

- B205 Treatments

- B206 Vaccines

B3 BIOSAFETY

- B301 Anticoccidials and bactericides
- B302 Pest control
- B303 Disinfectants
- B304 Insecticides/Traps
- B305 Deworming products – Anthelmintics

B4 EQUIPMENT, MATERIALS AND SUBSTANCES

- B401 Hatcheries
- B402 Biodigesters
- B403 Storage-forage dryers
- B404 Water and food treatment plant
- B405 Ensiling and storage of fresh forage
- B406 Heating, air conditioning and air purification plant
- B407 Feed Mixers
- B408 Fresh-Forage grinders
- B409 Milking Machines
- B410 Treatment and purification products
- B411 Fishing Farming and Hatchery tanks
- B412 Slurry and Livestock waste tanks

C / PROCESSING

C1 PLANT AND EQUIPMENT

- C101 Biological processing of organic
- C102 Novel Food production plant
- C103 Filling lines
- C104 Milling, Kneading machines
- C105 Packaging plant and equipment
- C106 Refrigeration
- C107 Storage – Warehousing and Preservation

from Thursday 9 to Sunday 12
September 2021

The Exhibitor will be responsible for compiling the list of products in the reserved area on the website sanatech.sana.it

LIST OF PRODUCTS

C2 ADDITIVES AND AROMAS

- C201 Additives
- C202 Starches and other plant-based substances
- C203 Natural aromas
- C204 Colorants
- C205 Emulsifiers
- C206 Natural Supplements
- C207 Probiotics

C3 DRINKS

- C301 Organic Beers – Processing/Bottling
- C302 Drinks Bio – Processing / Filling Lines
- C303 Vegetable and Fruit Juice – Processing

D / PACKAGING

D1 AGROFOOD – BIOPLASTICS AND BIOCOMPOSITE FIBRES

- D101 Packaging bioplastics
- D102 rPET bottles
- D103 Bio-based PE bottles
- D104 Paper, cardboard and wood
- D105 Co-Products
- D106 Biocomposite fibres
- D107 Plant and cereal fibres
- D108 Compostable packaging
- D109 PLA trays and containers

D2 WELLBEING – BIO – AND RECYCLABLE PACKAGING

- D201 Bioplastics
- D202 Paper and cardboard
- D203 Green PE and Green PET

- D204 Recyclable monofilam

- D205 Biopaints

- D206 Glass

D3 LABELS, GLUES AND BIOPAINTS

- D301 Bio - adhesives and paints
- D302 Labelling – Bio – materials and inks
- D303 Paints

E / INNOVATION, BIOENERGY AND SERVICES

E3 SMART TECHNOLOGIES & INNOVATION

- E101 4 G Agriculture – Data Management
- E102 Smart breeding
- E103 Drones, robots and lasers
- E104 Soil and plant sensors – parameter, temperature, humidity and acidity detection
- E105 Smart tags and animal breeding collars
- E106 Eco-sustainable technology for the circular economy
- E107 Precision-farming IT
- E108 Data transmission - Networks

E2 BLOCK CHAIN – TRACEABILITY THROUGH THE SUPPLY CHAIN

- E201 Management - software
- E202 Traceability systems from raw materials to finished product

E3 ENERGY FROM BIOMASS

- E301 Bioenergy
- E302 Agricultural biomass
- E303 Plant and equipment
- E304 Processing and animal waste
- E305 Wood processing waste

E4 TRANSPORT

- E401 Compressor Fluids
- E402 Refrigeration and Controlled Temperature Systems
- E403 Refrigeration Products

E5 CERTIFICATIONS / FINANCING / CONTRIBUTIONS

- E501 Analysis & consulting
- E502 Private Financing and Public contributions
- E503 Sustainable forest management certification
- E504 Organic-production certification organisations
- E505 Training and education

F / WELLBEING AND PERSONAL CARE

F1 RAW MATERIALS AND NATURAL INGREDIENTS

- F101 Hyaluronic Acid
- F102 Distilled water
- F103 Natural colorants
- F104 Silicon compounds
- F105 Emollients
- F106 Emulsifiers – concentrated emulsions
- F107 Sensory enhancers
- F108 Plant extracts (glycolic, hydroglycerin and fat-soluble extracts)
- F109 Active natural ingredients in general
- F110 Water soluble vegetable oils
- F111 Special and organic vegetable oils
- F112 High-performance solubilising products
- F113 Delicate surfactants
- F114 Vitamines
